

RECOMMENDATION NO. 11

RECOMM 11

INSPECTOR GENERAL'S RECOMMENDATION NO. 11

"The position taken by the Chief, Medical Staff, which precludes the release of detailed medical files and information outside of the Medical Staff should be approved. However, the Chief, Medical Staff, should at the same time be directed to:

"A. Release to competent authority (Deputy Directors or higher) sufficient information, in the form of sanitized summaries, to support necessary administrative or executive action.

"B. Provide the Director of Personnel with specific guidance as to the extent of medical information he may reveal to disqualified employees or prospective employees."
